It is important for you, as the landowner, to know that when wastewater service is made available to your parcel you are not obligated to connect to our wastewater system as long as your current wastewater system is functioning properly. If you agree to have your property be part of this proposed service area, no action on your part is required at this time.

Tidewater understands that customer satisfaction and quality water are the foundation of our business. In 2007 Tidewater was awarded the Torch Award by the Delaware Better Business Bureau for our Marketplace Ethics. Tidewater a part of Middlesex Water Company was recently named one of America's 100 most trustworthy publicly traded firms according to Audit Integrity, Inc. In addition, Tidewater was voted Best Tasting Water in 2007 by Delaware Rural Water Association.

If you have any questions in regards to this matter please feel free to contact me at 1-800-523-7224 ext. 1014.

Sincerely,

Joseph C. Cuccinello  
CPCN Coordinator

## **LANDOWNER NOTIFICATION**

In accordance with Delaware law and regulations of the Public Service Commission, the applicant, Tidewater Utilities, Inc. must show evidence that all landowners of the proposed territory have been notified by certified mail or its' equivalent of the filing of the application.

- (1) Pursuant to Title 26, § 203C(e) of the Delaware Code, an application for a Certificate of Public Convenience and Necessity (CPCN) will be submitted to the Delaware Public Service Commission on or about November 20, 2008. In accordance with the petition you have recently signed, your properties have been included within an area Tidewater Utilities, Inc. intends to serve with public water and we are required to inform you of certain information. The area to be served is tax parcel number 531-15.00-30.16 located in Sussex County, Delaware. If you agree to the inclusion of your property in the proposed service area, no action on your part is required.
- (2) Pursuant to current law, you may file an objection to receiving water service from Tidewater Utilities, Inc. Under Delaware law, the Public Service Commission cannot grant a CPCN to Tidewater Utilities, Inc. for the proposed service area, including your property, if a majority of the landowners in the proposed service area object to the issuance of the CPCN. If you object to receiving water service from Tidewater Utilities, Inc., you must notify the Commission, in writing, within sixty days of your receipt of this notice or within thirty days of the filing of a completed application for a CPCN, whichever is greater.
- (3) Pursuant to current law, you may also elect to opt-out of inclusion in the proposed service area. The term "opt-out" means that you decide that you do not want to receive water service from Tidewater Utilities, Inc., even if a majority of the landowners in the proposed service area do elect to receive water service from Tidewater Utilities, Inc. If you do decide that you do not want to receive water service from Tidewater Utilities, Inc. and instead wish to opt-out, you must notify the Commission, in writing, within sixty days of your receipt of this notice or within thirty days of the filing of the completed application for a CPCN, whichever is greater.
- (4) You may also request a public hearing on this matter. A request for a public hearing must be made in writing to the Commission within sixty days of your receipt of this notice or within thirty days of the filing of the completed application for a CPCN, whichever is greater.
- (5) The written notice of your decision to object to the issuance of the CPCN, to opt-out of receiving water service from Tidewater Utilities, Inc., and/or your written request for a public hearing, shall be sent to the Secretary of the Public Service Commission at the address below.
- (6) Any written notice you send to the Commission must include the description of the service area referred to in paragraph (1) above and the name of the applicant so the Commission will be able to identify the CPCN application to which your notice is related.
- (7) Questions regarding objections, opt-outs, and hearings may be directed to:
